

## POLYCOM CHANNEL CERTIFICATION PROGRAM

April 12, 2010

To Whom It May Concern:

It is my privilege to inform you that Polycom, Inc. has named Adaptor Chile Ltda. a Certified Product Authorized Reseller. Having applied for and met the requirements for certification at the Certified Product Authorized level, they are Authorized to sell the following Product(s) within Chile.

<b>Product Name</b>	<b>Expiration Date</b>
QDX6000	
Circuit Switched Voice	

As a Certified Product Authorized Reseller, Adaptor Chile Ltda. may use Polycom's Certified logo, subject to Polycom's standard terms and conditions for any such use. Electronic copies of these logos and further information are available from the Channel Certification Team.

Please contact Polycom through your Polycom account manager for further information and assistance in meeting the requirements for certification beyond this date, for certification in other categories or for certification outside of Chile.

Best regards,

Peter Lawson  
Certification Manager  
Channel Development
